Just received this from DSHS. Please look at B3EIC and Doc31. They are moving to issuing the BC on bonded paper but overwriting it with "FOR ELECTION PURPOSES ONLY CANNOT BE USED AS IDENTIFICATION". They are supposed to contact me and give me the date for the changeover to these new documents before they go live.

Stephen,

We are preparing to issue communications out to our local registrar offices statewide regarding the fee waiver for the EIC birth certificates. Can you please clarify a question for me? Are you expecting for folks seeking an EIC to provide a certified birth certificate or a certificated verification (letter) with a seal and State Registrar signature? Thank you.
